## Important Information

**For our customers and business partners**

December 2009

### **Merger from TruQuality GmbH to Trubiquity GmbH**

---

Dear Sir or Madam,

We are pleased to announce that the merger from TruQuality GmbH, Dynamostraße 3, 68165 Mannheim, to Trubiquity GmbH as the incorporating organization has taken place with retroactive effect from 01.04.2009 by registration in the commercial register Mannheim, HRB 706115.

Based on the merger of both companies Trubiquity has established itself in Germany as a solution provider with international reach who is delivering products and services for the automated exchange of technical data and consolidating the know-how of specialist companies with a customer-focused business model. In addition, we will use the streamlined organizational structure to further enhance our performance and our quality of service to our customers.

Following the registration in the commercial register, your existing contracts with TruQuality GmbH are automatically being devolved to Trubiquity GmbH as the legal successor without an obligation for you to formally agree.

On grounds of the merger, the company TruQuality GmbH ceases to exist and therefore we kindly ask our customers, vendors and service providers to send all future communication to the below address:
